

The Inspire Impact Score Methodology

At Inspire Investing, we believe that investing in the most inspiring companies aligned with biblical values offers investors a powerful way to make a positive impact on the world while also providing the potential for above average performance. We identify these inspiring “businesses of blessing” with our revolutionary Inspire Impact Score methodology, which is an objective, rules-based scoring

system that rates companies based on their alignment with biblical values and the degree to which they operate as blessings to their customers, communities, workforce and the world. Inspire Impact Scores range from -100 to +100, with +100 being the best possible score. Following is the framework for how we develop Inspire Impact Scores to create impactful, inspiring, biblically aligned portfolios.
